4. If material is or can be reversible, be certain to mark the proper side.
5. Supply your shipper of the COM with the following tag to be attached to the outside of the package containing your COM.

**COM (Customer's Own Material) Note:**

All COM pricing is grade 1 and it is based on 54" wide plain, solid color vinyl or textile and should be clearly identified on package exterior. ### **Order Changes & Cancellations:**

Due to the custom nature of our products, Artista Gallery, Inc. must specify purchase materials and individually assemble to meet the unique and demanding specifications designated in each purchase order. Therefore, once Artista Gallery, Inc. accepts and acknowledges an order, it is fully binding and is not subject to cancellation or change by the buyer.

This does not mean that it is never possible to cancel or change an order, however, the request must be in writing, approved and acknowledged by the factory and may require charges for labor, materials, and/or other expenses we have incurred. Order will in some cases require updated ship date.

### **Previous Order Matching:**

If your order is to match a previous order, it must be clearly stated on your order, with reference made to our original invoice or acknowledgment number and date. **If available, please supply a copy of the original invoice.** Artista is not responsible to supply materials such as laminate, vinyl, fabrics or other items that may be discontinued.

Finishes (*Fabrics, vinyl, stains, and paints*) may change over a period of time and it is recommended that the buyer submit a sample from the original order when possible to assure the best possible match. When a special wood finish is requested, Artista Gallery, Inc. will attempt to match as closely as possible, but cannot assume responsibility for variations resulting from application of color finishes on various woods. Artista Gallery, Inc. in some instances may request the buyer return a signed approval prior to production.

### **Discontinued Styles:**

Often a number of styles from previous price lists or catalogs are discontinued or retired from the line and no longer listed in the catalog or price list. **This does not always mean that these items are no longer available**, but may have been discontinued and replaced with a similar item or may still be available upon request. Please feel free to call our customer service department for information on these particular items.

## **Shipping:**

Buyers should advise preferred shipping and routing with each order. If no carrier is requested by name, or if named carrier does not serve our factory or consignee location, Artista Gallery, Inc. will ship by the method deemed most practical, but will not be responsible for any differences in freight charges.

All ship dates quoted are approximate. Any orders shipped later than the factory scheduled ship date are free from any penalties imposed by the buyers.

From the time carrier signs for shipment, Artista Gallery, Inc. no longer has title to the merchandise, and carrier becomes the agent of the consignee. Disposition of shipments refused by consignee is the responsibility of the consignee and or buyer.

Any additional shipping charges incurred by Artista Gallery, Inc. for matters such as C.O.D. fees, inside delivery, etc., will be billed to the buyer.

Where the shipment of two or more orders is to be consolidated, this information must be stated on at least one order. Generally, shipment of the earlier order will be delayed until the second or last order is ready to be shipped.

## **Shortages or Damage Claims:**

Artista Gallery, Inc. is not responsible for loss or damages incurred in transit. Before accepting the merchandise from the carrier, the consignee should inspect and note any loss or damage on the delivery receipt. If there is loss or damage, a claim should be made immediately with the carrier. If damage or loss is discovered after delivery, the carrier should be notified immediately for an inspection of concealed damage as well as for instructions in filing a freight claim. Original packing materials should be saved for inspection if claim is to be filed. Concealed damage claims must be filed with carrier within 10 days of receipt of goods. (Freight company deserves the right to refuse responsibility.)

Shortages other than loss in transit, or any variance in the specifications of the order must be reported to Artista Gallery, Inc. within 10 days of receipt of goods. Failure to make such claim shall constitute acceptance of the merchandise and a waiver of any defects, errors or shortages.

Artista Gallery, Inc.'s liability shall be limited to the selling price of any defective goods, and shall at no time include profits or loss of profits. All replacement orders for freight - damaged merchandise must be accompanied by a completed and signed copy of the carrier's inspection report.

## **Returns**

No returned merchandise will be accepted by Artista Gallery, Inc. for exchange, credit or repair unless prior written consent is given by the factory. Unauthorized returns will be refused and returned to the consignee freight collect. Where returns are authorized, Artista Gallery, Inc. will issue a Return Authorization Form with shipping instructions which must be used with such returns indicating any restocking and/or freight charges that will be billed to the buyer. Restocking charges will range from 25% of the original purchase price.

## **Storage:**

If buyer is unable or unwilling to accept delivery when the order is ready, Artista Gallery, Inc. will invoice the buyer for all handling, transfer and storage costs incurred from the scheduled ship date until the actual shipping date.

Under normal circumstances, if buyer advises at time of placing order that shipment should be made after a specified date, Artista Gallery, Inc. will try to accomplish such requests. However, if no specific date was requested, and when the order is ready for shipment, buyer is unable or unwilling to accept delivery, Artista Gallery, Inc. will invoice the buyer for all handling, transfer and storage costs incurred from the scheduled date until actual shipping date. Where buyer requests that Artista Gallery, Inc. production be halted on an order for a period of time, and materials cannot be diverted to fill other orders, Artista Gallery, Inc. will determine the storage requirements for such “in process” materials and charge buyer accordingly .

## **Product Specifications:**

Frequently, new production techniques and materials are implemented in order to improve quality, durability or efficiency. Artista Gallery, Inc. reserves the right to incorporate new materials or make minor modifications in design, construction, wood finishing, upholstering, or in the dimensions of its product line, without prior notice. The uniqueness in the manufacture of certain items may cause slight variations in the dimensions, weights or other specifications found in this price list.

## **Flame Retardancy:**

Municipal requirements regarding flame retardant for use in various types of facilities are constantly changing. As part of our customized service, Artista Gallery, Inc. offers a wide variety of upholstery and barrier cloths to meet unique flame retardant specifications.

If buyer must satisfy a particular code, e.g., State of Calif. Technical Bulletin 117-E, or Boston Fire Dept. Code (BFD 9-1), this must be clearly indicated on the purchase order.

Artista Gallery, Inc. will advise buyer of special pricing for this service, but Artista Gallery, Inc. is not liable for noncompliance with local code requirements if the buyer fails to advise Artista Gallery, Inc. of these requirements at the time of purchase.

*Note, most flame retardant treatments are salt solutions. Cleaning flame retardant upholstery therefore with water or water-based foams will result in salt ringing. Solvent-based fabric cleaners or dry cleaning are alternate methods of cleaning. However, buyer is cautioned to test proposed cleaning procedures on a small portion of fabric before proceeding with cleaning of the entire installation.*

### Structural Frame Warranty:

Does not apply to any product that has been altered, or subjected to misuse, negligence or accident. Under this warranty, any product proven to be defective shall be repaired or replaced at our option, free of charge, provided it is returned prepaid as directed. In no case shall liability under this warranty exceed the original purchase price of the defective merchandise. We reserve the right to inspect the defective item at our premises, by our factory personnel, to establish the cause of the alleged product failure.

This warranty shall not apply to any product which has been repaired or altered by anyone other than Artista Gallery, Inc. personnel in any way as to affect, in our judgment, its stability and durability, nor which has been subjected to misuse, negligence, abuse or accident.

Artista Gallery, Inc.'s product line is for indoor use only, and therefore any damage caused by exposure to the elements, such as salt - air or ultra violet rays, is not covered by this warranty. Even where Artista Gallery, Inc. was apprised of the final destination of an order, it is not liable under this warranty if the merchandise ordered was exposed to the elements. This warranty shall not apply to Artista Gallery, Inc. merchandise which was exposed to harsh or acidic cleaning agents or abrasives.

Artista Gallery, Inc. reserves the right to make changes at any time, without notice, in materials, dimensions, specifications, equipment, colors, design or prices. Artista Gallery, Inc. also reserves the right to make such changes at any time without any obligation to make comparable revisions and/or modifications on products manufactured at a previous time.

The cost of field repairs performed by non - Artista Gallery, Inc. personnel will not be reimbursed unless expressly authorized in writing by Artista Gallery, Inc. prior to the repair.

Artista Gallery, Inc. does exclude upholstery from this warranty, whether the material is provided by Artista Gallery, Inc. or as COM (*Customers Own Material*). However, warranties are often provided by the upholstery mill. All upholstery and laminates are subject to warranty offered by the respective manufacturer.

### Maintenance:

To ensure durability and longevity of Artista Gallery, Inc.'s product line and customer satisfaction, periodic inspection and maintenance is necessary. Buyers should therefore advise their clients to inspect merchandise at regular intervals — particularly the joints, welds, swivels and other points of stress as well as missing glides, screws or bolts, and to clean and tighten screws and bolts, and grease parts where necessary. If repair parts are

needed, use only Artista Gallery, Inc. replacement parts and attachment methods. If an item shows any sign of structural fatigue, it should be taken out of service immediately. If covered by warranty, Artista Gallery, Inc. should be notified immediately. Any continued use of the product is at buyer's risk and Artista Gallery, Inc.'s warranty will no longer be valid.

### **Freight quotes are valid for 30 days.**

# SEATING GUIDELINES

**General guides for space planning and determining furniture needs**

## Space Planning:

In preliminary space planning, the “Rule of Thumb” for determining the area requirements for a restaurant is:  
Dining Room: 60% of total area. Kitchen, Cooking, Storage, Preparation, etc.: 40% of total area.

When originating space requirements, anticipate that Banquet seating may use as little as 10 square feet per person. A good average for restaurants or coffee shops with general menus is about 12 square feet per person. This will provide for traffic aisles, wait stations, etc.

**Example:** A 200 seat restaurant will require 2,400 square feet of dining area. Since this would be 60% of the total area, the total area would be 4000 square feet.

When the area available has already been established (i.e. an existing building being remodeled as a restaurant), the “Rule of Thumb” is used as follows.

**Example:** A space of 2800 square feet is available. 60%

**Dining Area:** 1680 square feet (140 seats); 40% Kitchen Area: 1120 square feet. Details will be determined after

floor plans are prepared and owner's ideas are considered and incorporated into the plans. Suggested square feet per person for different restaurant types:

**Commercial Cafe:** 16 - 18 square feet

**Industrial Cafe:** 12 - 15 square feet

**Counter Service:** 18 - 20 square feet

**Table Service (minimum):** 11 - 14 square feet

**Table Service, Hotel/Club:** 15 - 18 square feet

**Banquet (minimum):** 10 - 11 square feet

The traffic path between occupied chairs would be at least 18 inches wide. Leave 4 - 5 feet between tables (This figure includes chair space). To determine area for wait stations: 1 small station (6 - 10 square feet) per 20 diners. 1 large central station (25 - 40 square feet) per 60 diners. In determining the length for a bar, allow 1'8" - 1'10" per person (standup) or 2' per bar stool.

## Furniture Guidelines:

**Table Height:** 29" - 30" **Bar Height:** 42" - 45"

**Seat Height:** 17" - 18" **Bar Stool Height:** 28" - 30"
