## Original Restored Murry Champion Low Rider Custom Built Pedal Car

This is an original Murray Champion pedal car body that has been heavily modified. The original running gear have been removed, this is now a 'stroller' there is no working pedal rods or steering. Great for display. The original embossed headlights and tail lights have been smoothed (cut out and welded closed). All of the bolt on parts are reproduction or fabricated. The original stamped grill has been cut out and tube grill fabricated. On this particular one the sides are heavy holographic metal flake with hand striping under the clear coat. There has been a full automotive interior installed.

This would all be custom built per order. Customer could choose colors and name.

**Price: \$2,100.00 USD**
